Remarks:

- These commissions will only apply to those accounts designated by Rakuten Securities HK as being subject to the above rates.
- Commissions provided above apply to transactions per 100k lot size. Any lot sizes smaller or greater than 100k will be charged on a pro rata basis.
- Commission for a round turn trade (opening and closing) is doubled and is fully charged at the opening of the order. It will round off to the nearest cent.
- The commission fees and charges will be settled in US Dollar under US Dollar denominated trading account and in HK Dollar under HK Dollar denominated trading account at a rate of exchange determined conclusively by Rakuten Securities HK on the basis of the prevailing market rate of exchange between USD and HKD.
- The fees and charges indicated herein are for your reference only. Please refer to your daily combined account statements for the actual fees and charges applicable to your account(s).
- The most updated Schedule of Standard Fees and Charges is available under Rakuten Securities HK's main website.
- The Schedule of Standard Fees and Charges may be subject to change without prior notice.
- In the event of any inconsistency between the English and Chinese texts, the English text shall prevail.
