Remarks:

- These commissions will only apply to those accounts designated by Rakuten Securities HK as being subject to the above rates.
- Commissions provided above apply to transactions per 100k lot size. Any lot sizes smaller or greater than 100k will be charged on a pro rata basis.
- Commission for a round turn trade (opening and closing) is doubled and is fully charged at the opening of the order. It will round off to the nearest cent.
- The commission fees and charges will be settled in US Dollar under US Dollar denominated trading account and in HK Dollar under HK Dollar denominated trading account at a rate of exchange determined conclusively by Rakuten Securities HK on the basis of the prevailing market rate of exchange between USD and HKD.
- The fees and charges indicated herein are for your reference only. Please refer to your daily combined account statements for the actual fees and charges applicable to your account(s).
- The most updated Schedule of Standard Fees and Charges is available under Rakuten Securities HK's main website.
- The Schedule of Standard Fees and Charges may be subject to change without prior notice.

- h) Different account tier can enjoy different spread offers, the account tier will be assigned by evaluating the amount of initial deposit, total trading volume of current month and daily average account balance of current of the trading account. Please refer to Rakuten Securities HK's webpage for details.
- i) In the event of any inconsistency between the English and Chinese texts, the English text shall prevail.
